Introduction to Cybersecurity

Issued by: Cisco

Issued to: Ankit Joshi

Issued on: 8 May 2022

Description

The holder of this credential has introductory knowledge of cybersecurity, including the global implications of cyber threats, the impact of cyber attacks on industries, and why cybersecurity is a growing profession. The holder has an understanding of the ways in which networks are vulnerable to attack and Cisco's approach to threat detection and defense. They also have insight into opportunities available for pursuing network security certifications.
